- must be taken within the same block as the missed lessons unless alternative arrangements are made,
- are not available in lieu of regular lesson payments, and
- will be forfeited where a customer cancels or does not attend the make-up lesson.

The pool is closed on public holidays. Should your swimming lesson fall on a public holiday, refer to guidelines above for missed lessons.

What to wear

Goggles are optional; however, it is recommended that in the early stages of learning, students do not wear goggles because it enables them to experience the sensation of water in their eyes. This minimises panic should they accidentally fall into a pool.

Caps are required for all classes except Swim and Play and Beginner groups.

To help students to adjust to wearing goggles and caps, practise wearing them in the bath or shower at home.

Swim nappies must be worn by babies and toddlers.
